

Flatwork Monthly Training Agenda, 2025

JENSEN USA is excited to announce a series of webinar trainings for 2025. Instead of our previous 3 day training generally on all flatwork, we will now offer a 2-hour training each month on a specific topic. Please find below our schedule for the next 12 months.

To Register, Please visit www.jensen-group.com/trainings-us.html to fill out the registration form or contact customer-admin-JEUS@jensen-group.com
